Northeast Foster Families

Happy New Year!

It's 2026!

There's something refreshing about the blank slate feeling of January. It's a natural moment to reflect on what we've learned, how we've grown, and what we want to carry forward. Whether you're diving into new goals or simply taking the next right step, I encourage you to begin this year with intention.

By the way, if you're wondering about the palm tree, I just thought we've all seen enough snow lately... Haven't we?

SESSION HIGHLIGHT

Leading with Empathy

Wednesday, February 4

10:00 AM – 1:30 PM, MST

This workshop aims at expanding our social perceptions on the missing context not usually covered in other ‘trauma-informed’ workshops. It centres Indigenous perspectives on the change required to go beyond being trauma-informed to leading with empathy and understanding what ‘dignity-informed’ really means.
